

Date _____ Name of trackers _____

How wildlife friendly is your school? Let's find out...

1. Draw an outline of your school in the box below
2. Walk around outside remember to look and listen. What do you hear? What do you see?
3. Draw onto the plan any places wildlife might like to visit such as trees for squirrels and birds, or water for frogs
4. When you see or hear something, note it down onto your school outline

WHAT can you SEE?

WHAT CAN you HEAR?

What do you really like about the outside of the school?

What do you think could make the school more wildlife friendly?

SHARE what you HAVE FOUND with all the OTHER TRACKERS

NOW MAKE
a WILDLIFE
PLAN

Date 11th April 2019

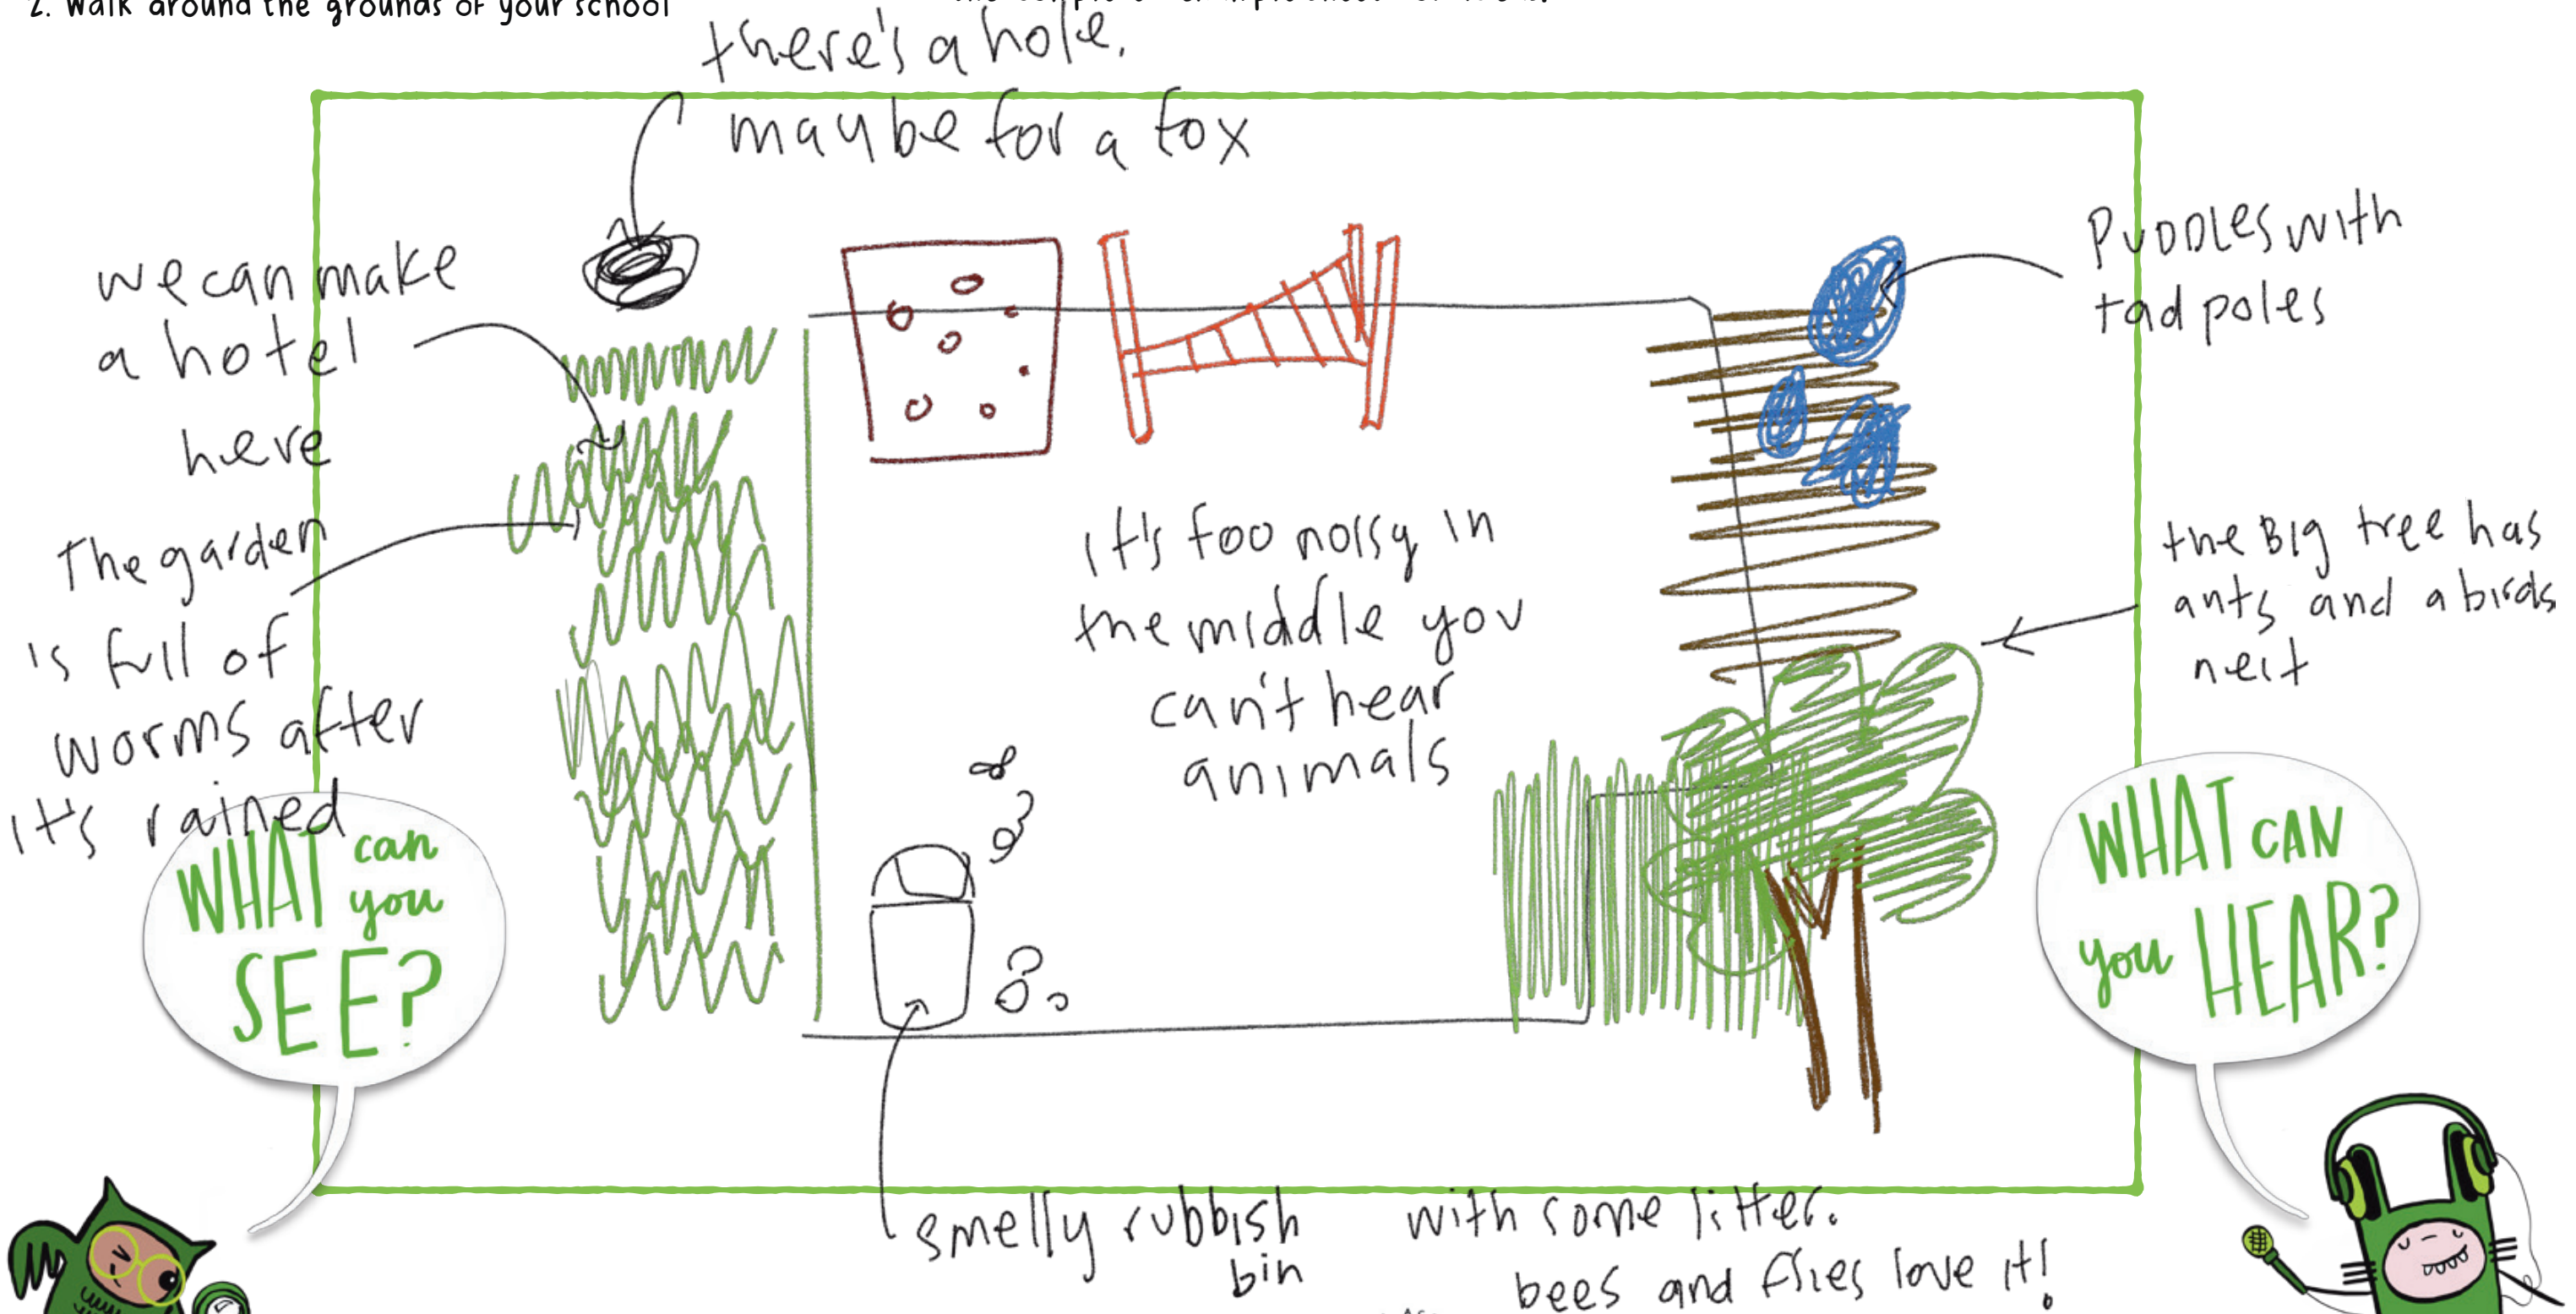

Name of trackers SEB, Josh, Olivia

How wildlife friendly is your school? Let's find out...

1. Draw a plan of the school grounds in the box below
2. Walk around the grounds of your school

3. Look and listen

4. Mark what you see and hear on your plan. Look at the completed example sheet for ideas.
